Industrie Service

- there are no substances manufactured or imported to Europe by the IMC Group that are subject to registration which have not been registered,
- registration of substances which are subject to registration was completed by the IMC Group within the required timeframe.
- According to the IMC Group available information the o.g. products contain no substances which are of particular concern under Article 57, which are listed on the list of candidates [Art. 59 (10)] from the last update date of the candidate list and which lead to the duty to communicate information as to Art. 33 (1) REACH in connection with Annex XIV REACH regarding substances of very high concern (SVHC)

Thus, for the time being there is no further obligation to register as to Title II REACH.

Hereby we confirm that IMC Group implemented the EU-regulation REACH in order to fulfil its obligations.

This confirmation is valid for one year.
